

Pre-Opera Diners

Mr. and Mrs. Thomas F. Casey of Hollywood Riviera wear accompanied to dinner at the Pen and Quill Restaurant in Manhattan Beach by Mr. and Mrs. Ronald Mahler of Torrance before attending the San Francisco Opera at the Shrine Auditorium.

CHAIN STORE AGE

Chain Store Age says that one of the major, but hidden costs of filling prescriptions can be traced to the tremendous range of drugs a store must carry to provide complete health service. In busy stores, prescription drug inventory can easily amount to more than \$12,000.

School Menu for Next Week

Main dishes in Torrance school cafeterias next week (Nov. 7-11) will include baked beef hash pizza, meat loaf, and a "garden special," according to Supervisor John F. Blandy.

Meals, including milk, may be purchased in elementary school cafeterias for 30 cents. Ice cream bars cost six cents extra, while single bottles of milk are four cents. Next week's menu includes only four days, since Friday, Nov. 11, is a holiday for all schools. On the menu are:

Monday—baked beef hash, apple and cabbage salad with marshmallows, pears, peanut butter and honey sandwiches, and milk.

Tuesday—pizza with beef and cheese, green beans, jellied grapefruit salad, fresh apple sections, hot French bread, and milk.

Wednesday—meat loaf and parsley potatoes, pineapple slaw, sliced peaches, bread, butter, and milk.

Thursday—garden special, tomato and cucumber slices, refrigerator cookie, baked custard with cherry sauce, bread, butter, and milk.

LEARNING GOOD HABITS—Since proper diet and good foods have been studied in Mrs. Marguerite Ronsberg's first and second grade class at Jefferson Elementary School, Torrance youngsters ended the unit by holding their own breakfast. Room mothers helped prepare a meal of cereal, toast, milk, and orange juice. Enjoying their "healthy" meal are (left to right) Pamela Richardson, Lance Rubsomer, Eddie Shipley and Kerry Clayton.

New Compact TV Sets Offered

To meet requirements of millions of small apartment dwellers, Zenith Radio Corp. recently introduced four all-new "compact" in-home television sets that, according to the company, combine furniture-styled wood cabinets with the finest performance in 19-inch TV. The receivers are only 14 inches deep yet provide 17 square inches more picture area than 17-inch television. Furniture designs include a choice of early American, Danish modern and two contemporary temporary styles.
